## Special Pricing for 501(c)3 Organizations

**Please note: Prices are subject to change without notice.**

We appreciate your interest in Duck Pond Cellars. Each year we donate our goods and services to a limited number of non-profit organizations whose causes are closely aligned with our own mission and goals.

There are many worthy organizations throughout the Northwest, and we are pleased to offer a limited number of wines and accommodation packages through a special pricing program created solely for qualified 501(c)3 organizations.

This special pricing allows non-profits to purchase wines or accommodation packages at a significant discount from their retail value for use in their fundraising events and auctions.
